NOTICE

This manual assumes that you have and know how to use the tools and equipment necessary to safely perform service operations on your vehicle. This manual assumes that you are familiar with typical automotive systems and basic service and repair procedures. Do not attempt to carry out the operations shown in this manual unless these assumptions are correct. Always have access to a factory repair manual. To avoid injury, follow the safety precautions contained in the factory repair manual.

Mounting of HKS Hi-Power Muffler Assembly

- Hanger points "A" and "B" attach to the factory mounting locations.
- Hanger point "C1" attaches to the "C2" Hanger of the HKS Support Bracket.
 - Refer to below for mounting of HKS Support Bracket.

Mounting of Support Bracket

- Mount the HKS Support Bracket to location on the rear sub-frame of the vehicle as shown. Use the existing hole (circled in diagram) in the sub-frame and secure it with the supplied hardware.
